

we are... partners
boyfriends buddies married FwB lovers
hanging out dating hooking up doing it

testing together for HIV

Learn your HIV status
together with your partner!
With **testing together** you
don't have to talk about
anything you don't want to
discuss in front of your
partner – we don't go there.

Talk with your partner and
contact your healthcare
provider to schedule an
appointment or learn the
best time to come in for
testing together.
